The New City Free Library

The New City Free Library held its meeting at the school house on May 13, at three P.M.

The minutes of the last meeting were read and approved.

Mr. Gorman reported that the school board trustees would not like to have the school open during the summer, unless someone employed by the district would be present.

Miss Doye suggested that the present committee attend the next board meeting so that some satisfactory arrangement could be worked out.

A motion was made by Mr. Karrell and seconded by Mr. Steinmann that we have

Tag day on Sat. May 16
for the purpose of raising
funds for new books.

The school children of the
district would do the "tagging".
Mr. Doyes will be in charge
of Tag day.

The committee asked Mr. Doyes
to write to Miss Beard and
ask her if she can make some
arrangements for the entertainment of
the first week in June.

No other business at present, so
the meeting was adjourned at 5 P.M.
Mrs. J. Feeley
