

New City PTA Plans Card Party to Aid Library Fund

A card party will be held by the New City Parent-Teacher Association at the home of Mrs. Eugene Brokaw on July 8. Mrs. Albert Eberling is chairman of the committee in charge, other members being Mrs. Harry Herrlein, Mrs. Theodore Meier, Mrs. Charles Horn, and Mrs. George Steinman.

Mrs. Florene Noyes, principal of the New City School, at a meeting of the association held Tuesday announced that \$44.50 had been taken in on "Tag Day" for the public library to be opened in the school and that more than 100 volumes had been given for its shelves. Donations of both money and books are needed for the library which it is planned to open this Summer. It is necessary for the library to raise \$100 before that sum will be duplicated in State aid.

Miss Pantol of Congers has been assigned by the Youth Administration to catalogue the books.

Hostesses at the meeting were Mrs. C. N. Cummings and Mrs. Harry Herrlein. Iced coffee and tea and cake were served as refreshments.
